

# Holy Trinity Parish

## Art and Environment Ministry

The purpose of this ministry is to lend visual support to the prayers and worship of the people of God. Through works of art, flowers, and decorative objects, we endeavor to deepen understanding of the seasons and holy days of the church and to inspire an ever-growing love for the Triune God and the liturgy that serves Him.

If you love the liturgy, have a creative urge, and seek to serve in a way that is quiet and behind the scenes, please consider joining our happy band! For further information, call the church office at 536-4700 (Plymouth, Ashland) or 744-2700 (Bristol), or fill out the form below and drop it in the collection basket at Mass.

Please contact me with details on the Art & Environment ministry.
